Appendix I - Information Pricing

** within 24 hours afterwards*

"Information Prices" are for Work that is included in the bid price offered in the Bid Form but which the Owner requires for financial reporting purposes. The prices quoted shall include all indirect and Direct Costs associated with the supply and installtion of the Work but not limited: Subcontractor costs, Surety Bond Premiums, Insurance, Mobilization and Setup, Overhead, Profit, etc.
Upon award of the contract, the Contractor shall also provide this pricing information for School Condition Improvements (SCI) as a separate section in the "Schedule of Values" for all progress payment applications and shall be identical as the pricing provided here.
